Currently, I'm again in a debacle with medical to get my iron pill back on. They abruptly stop my iron and dietary foods at their discretion. So it's tough for me to get stable on my meds. It's virtually unheard of to get on psych meds when I have no health stable: iron, diet, snacks, food flavorings, and supplements. I'm entrapped. Due to the dietary malfunctions and vitamin deficiencies ~~my~~ blood pressure is outrageously elevated. I feel very ill. They create a very risky situation and run my hypertension a loof - and refuse to monitor it. So I get very fatigued and lethargic, breathless, etc. I need to get to a specialist for second opinion and maternal health care. I'm being ignored by medical, skipped, and refused care. I have jailers call medical for me.

Cordially,
ERICA D. HAYWOOD

Receivers,

Again - my name is Erica. Please respond very soon. I'm trying for habeas corpus and federal relief. My situation is dire.

Currently, I'm being held in a female facility under great maltreatment and neglect. San Diego county obviously has no facility for gender variant inmates. So we are stuck in very unsafe, irrational, low grade facilities. Recently, inmates have been violated of safety rights as doors mysteriously open - unannounced.
